SPORTS & VENTURES

About US

Leading sport businesses have recognized the potential for added value by developing a strategic alliance strategy that enables them to access new resources, share risk and tactically manage key alliances to gain competitive advantage.

In CB Five -as in all Pro Turn Group's family- we are committed to bridging the gaps and delivering world-class services through football (soccer). Whether is an intermediation, scouting broking a contract negotiation or consulting for an investing party, we've been there and will provide the best team and strategic alliances to chase down your goal as our client and/or partner.
